Subject: Anaconda Smelter and Silver Bow Creek/Butte Area among Superfund sites targeted for immediate attention
Attachments: Administrators List of Emphasis Regional press release_ Montana sites.pdf

Hello All,

Today, the U.S. Environmental Protection Agency released the list of Superfund sites that Administrator Pruitt has targeted for immediate and intense attention. The 21 sites on the list – from across the United States – are in direct response to the Superfund Task Force Recommendations, issued this summer, calling for this list. Please see the attached for more information.

Best,

Jody
